Join **Linda Hoover**, founder of RHV, and experience how working obstacles will enhance the training and partnership with your horse.

Obstacle I - As you work through a variety of obstacles, you will learn how to encourage curiosity and develop confidence and a willingness in your horse.

Obstacle II - This session focuses on accuracy and refinement in working obstacles to improve your skills and those of your horse using Versatility competitive standards as the benchmark. Riders will learn more about competing in Versatility from judging criteria to show strategies. The prerequisite for Obstacle II is the completion of Obstacle I.
